The Bestiarum is a compendium of information about the different species in Halo... exclusively in the Legendary Edition and Collector's Edition of Halo 3. I just love them and that's one of the reasons why I still don't Bought the HD version of Halo HD. This is not only the largest collection, but also the most detailed, the most interesting, the most informative... and the largest. There are even a couple of things that I have never seen. The Bestiarum is a must-have for any Halo fan. If you can't figure out why everyone else is into Halo 3, you'll learn more after reading The Bestiarum than you can find elsewhere.
