In this classic scene from *18eighteen Xtra 3*, best friends Kinzie and Mya are thrilled to get after-school jobs cleaning rooms at a fancy hotel. After all, having more money means more shopping sprees at the mall. But when head housekeeper, 53-year-old Miss Janey, catches these two fresh-faced teen cuties goofing off on the job, their fun is over. Or has it just begun? Luckily for the girls, Miss Janey has a hunger for teen pussy, and the busted young maids make the most of it as they get their first lesson in lezzie lovemaking! This is a classic scene from the 18eighteen.com archives. It was originally featured in *18eighteen Xtra 2*.

Cute little Chance is the type of student who spends more time in the principal's office than she does in class. But just because she's bad doesn't mean she's not smart, and Chance proves that even an unruly student can teach the principal a few things when given the opportunity!
