

K N Rao Books Free Download

How to Download K.N. Rao Books for Free

K.N. Rao is a renowned astrologer and author of many books on Vedic astrology, Hinduism, and Indian history. His books are highly sought after by students and practitioners of astrology, as well as by anyone interested in learning more about India's rich cultural heritage. However, some of his books are hard to find or expensive to buy online. If you are looking for a way to download K.N. Rao books for free, you have come to the right place. In this article, we will show you how to access some of his books online without paying a dime.

Method 1: Archive.org

Archive.org is a website that provides free access to millions of books, movies, music, and other digital content. It is a non-profit organization that aims to preserve and share the world's cultural heritage. One of the books that you can find on Archive.org is *Machvo*, a collection of short stories by K.N. Rao. This book was scanned by the Servants of Knowledge, a group of volunteers dedicated to promoting the increase and diffusion of knowledge. You can download this book in PDF format from this link: <https://archive.org/details/machvo0000knra>.

Method 2: Goodreads.com

Goodreads.com is a website that allows you to discover and rate books, join book clubs, and follow your favorite authors. It is also a great source of information about K.N. Rao and his books. On Goodreads.com, you can find a list of all the books written by K.N. Rao, along with their ratings, reviews, and summaries. You can also see which books are available for free download from other websites, such as Amazon Kindle or Google Books. For example, one of the books that you can download for free from Goodreads.com is *The Nehru Dynasty: Astro-Political Portraits of Nehru, Indira, Sanjay & Rajiv*, a controversial book that exposes the astrological secrets of India's most influential political family. You can download this book in PDF format from this link: https://www.goodreads.com/ebooks/download/214978.The_Nehru_Dynasty.

Conclusion

K.N. Rao is one of the most respected and prolific authors in the field of astrology and Indian culture. His books are valuable resources for anyone who wants to learn more about these topics. However, not all of his books are easily accessible or affordable online. That's why we have shared with you two methods to download some of his books for free from reputable websites. We hope that you have found this article helpful and that you will enjoy reading K.N. Rao's books. If you have any questions or feedback, please leave a comment below.

Method 3: Astro-Charts.com

Astro-Charts.com is a website that allows you to create and explore astrology birth charts for yourself and others. It is also a useful tool to learn more about K.N. Rao and his astrology. On Astro-Charts.com, you can find the birth chart of K.N. Rao, along with his planetary positions, aspects,

patterns, and special features. You can also see how his chart compares to other famous astrologers, such as B.V. Raman or Parashara. By studying his chart, you can gain insights into his personality, talents, challenges, and destiny. You can also discover how he uses astrology to guide his life and help others. You can access his birth chart from this link:

<https://astro-charts.com/persons/chart/k-n-rao/>.

Method 4: YouTube.com

YouTube.com is a website that allows you to watch and share videos on various topics, including astrology. It is also a great source of information and inspiration from K.N. Rao and his teachings. On YouTube.com, you can find many videos of K.N. Rao giving lectures, interviews, predictions, and remedies on various aspects of astrology. You can also see him interacting with his students, colleagues, and followers. By watching his videos, you can learn from his wisdom, experience, and humor. You can also appreciate his passion, dedication, and humility as an astrologer. You can watch some of his videos from this link:
